Risk Disclosure

1. Cryptocurrency and NFT Risks: Participation in the buying, selling, or trading of non-fungible tokens (NFTs) and cryptocurrencies involves significant risk. Prices can be volatile and fluctuate significantly, potentially resulting in substantial loss of value. You should carefully consider whether trading or holding NFTs and cryptocurrencies is suitable for you considering your financial situation.

2. **Technological Risks:** thecentaurus.io operates on multiple blockchain networks, each with its own set of technological risks, including but not limited to vulnerabilities in smart contracts, hacking incidents, and network failures. Users acknowledge and accept these risks when using the Platform.

3. **Regulatory Risks:** The regulatory framework governing blockchain technologies, cryptocurrencies, and NFTs is evolving and may vary significantly across different jurisdictions. Users are responsible for ensuring their use of thecentaurus.io complies with local laws and regulations.

4. Risk Acknowledgement:

Participation in the NFT marketplace and interaction with blockchain technologies involve significant risks, including but not limited to market volatility, regulatory uncertainties, technological failures, and potential loss of digital assets.

Users assume all responsibility for any transactions they engage in and acknowledge the inherent risks of using decentralized platforms.

5. Platform Functionality:

While thecentaurus.io aims to provide a secure and reliable platform, we do not guarantee continuous, uninterrupted, or error-free operation of the platform.

Users may experience delays, interruptions, or other issues due to the decentralized nature of the platform and the underlying blockchain networks.

6. Third-Party Content and Services:

thecentaurus.io may contain links to third-party websites, services, or content. These are provided for convenience only and do not imply endorsement or responsibility for the third-party services.

Users interact with third-party content and services at their own risk.

7. User Responsibility:

Users are solely responsible for the security of their digital wallets, private keys, and account information.

thecentaurus.io will never request private keys or sensitive information. Any such request should be considered fraudulent.

8. Intellectual Property:

All intellectual property rights related to NFTs created, bought, or sold on TheCentaurus.io belong to their respective creators or owners.

Users must respect the intellectual property rights of others and are prohibited from infringing on those rights.

9. Changes to the Platform:

TheCentaurus.io reserves the right to modify, suspend, or discontinue any aspect of the platform at any time without notice.

Users agree that TheCentaurus.io is not liable for any modifications or discontinuation of the platform.
